

Refugees Welcome Volunteer Support Policy

Refugees Welcome recognizes the significant and valuable role that volunteers have in creating and implementing our services and believes that volunteering should be a worthwhile and rewarding experience for volunteers, with volunteers encouraged and supported at every stage.

For the purpose of this policy, a volunteer is a person who does voluntary work on behalf of Refugees Welcome, with voluntary work defined as:

“Any activity which involves spending time, unpaid, doing something which aims to benefit someone (individuals or groups) other than or in addition to close relatives, or to benefit the environment” (Helping Out Survey - volunteering England 2007).

Refugees Welcome believes that its relationship with its volunteers is one of mutual responsibility and commitment within which both the organization and its volunteers have rights and responsibilities.

This Policy sets out Refugees Welcome responsibility to offer Volunteer support to the organization and volunteers and covers volunteers working on any Refugees Welcome project.
